CERTIFICATION

To: Whom it may concern

İstanbul, 08.03.2013

We herewith confirm that the stated company ADEN METAL has been a registered Customer for many years and that the company is waded with SCHÜCO – Aluminium Systems for the fabrication of doors, Windows and facades on a permanently base.

We furthermore confirm that the staff members of ADEN METAL have participated in a special SCHÜCO training program in order to gain theoretical knowledge and practical skills. In addition, they have been trained towards SCHÜCO processing and handling guidelines for the fabrication and installation of SCHÜCO Aluminium Systems. The workshop of the company is equipped with all the specific SCHÜCO machinery and tools.

Therefore ADEN METAL meets all preconditions for the fabrication and installation of SCHÜCO Systems and complies with the SCHÜCO standards and quality. ADEN METAL has a long experience in the field of the fabricating SCHÜCO curtain wall systems and has carried out several projects in Turkey and other countries.

Therefore we have chosen ADEN METAL as one of the most suitable partner who will deal in co-operation with SCHÜCO International for further projects in Turkey and international projects as well

Best Regards

SCHÜCO
